Jimmy,
I suppose I better say that
I thoroughly enjoyed being your
typing & stenotype this year. I
better hurry up and sign or
you might become infatuated
(infatuated that means). It's really
very an experience and a half
meeting you. Well I hope to
see you at our class reunion
today?

... for the school

Foreword

For centuries man has looked to the sky. He wonders and questions. Man looks above to find his Maker. Lovers look to the sky to find a place large enough to hold their dreams. The indomitable spirit of youth looks up and sees the challenge to understand and then to conquer the unknown.

Jenny,
I have really
enjoyed getting to know
you this year. You are
a swell girl. I'll never
forget the times we ventured
to the parking lot.
A friend always,
Penny

Tiger,
It has been a pleasure
being in your study hall
this year, although we don't
study we have a good time.

Jimmy "Shel,"

Boy I could almost cry. I'm going to miss you something awful next year. I've just thought in. I've been wonderful for me because I had such a good friend to talk all my problems to and a shoulder to cry on. God. Luck next year and in all the things you take on.

Love you,

Jenny,
It's been fun been in Study
Hall with you this year. I
only wish I would have gotten
to know you better.

Best wishes always, Judy

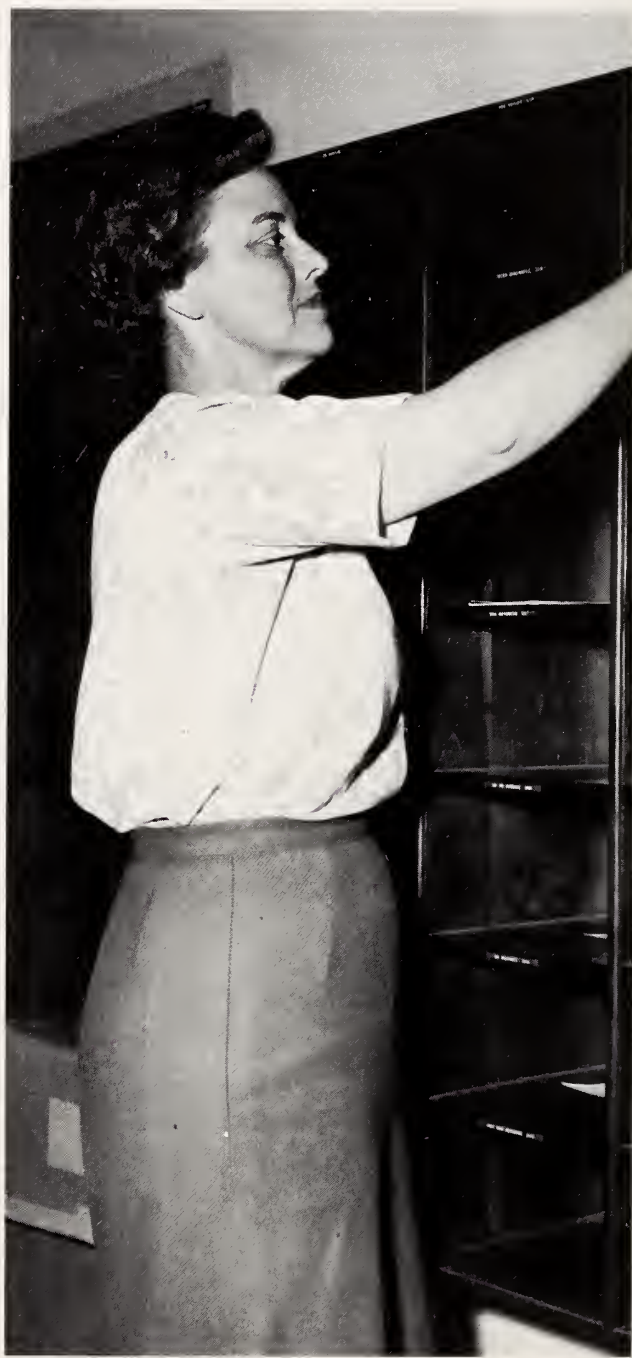

Jenny been
It has been knowing
you this past year.
You are a very cute girl
May you have the best
life has to offer. Next
year when you are at
college we will be here
having a ball. I hope
everything in life you
desire will come true.
Good luck always.
Love ya,
Bonnie

The sun is the center of the solar system and every-
thing revolves around it. In the same way the students
are the center of high school life and everything re-
volves about them.

Jenny,
I have enjoyed
getting to know you
this year. It's been great
having you in your typing
class. Best of luck in
your future. Good lucking,
Judy

Though the sun is the center of the solar system, it has no purpose without planets. The teachers at Senior High help give students a purpose for living by imparting knowledge, directing research, participating in activities, and guiding toward maturity — all of which are necessary in the Space Age.

Jenny,
 I really have enjoyed
 being in some of your classes
 this year. Too bad it's the
 last one. You've been a real inspiration.
 Do you know something? I wonder how
 we'll look ten years from now at our class
 reunion. I hope I'll see you many times
 before then. Good luck always!

They are as the Planets in the Universe . . .

*As the force of gravity holds the universe together,
so the Organizations bring unity and order.*

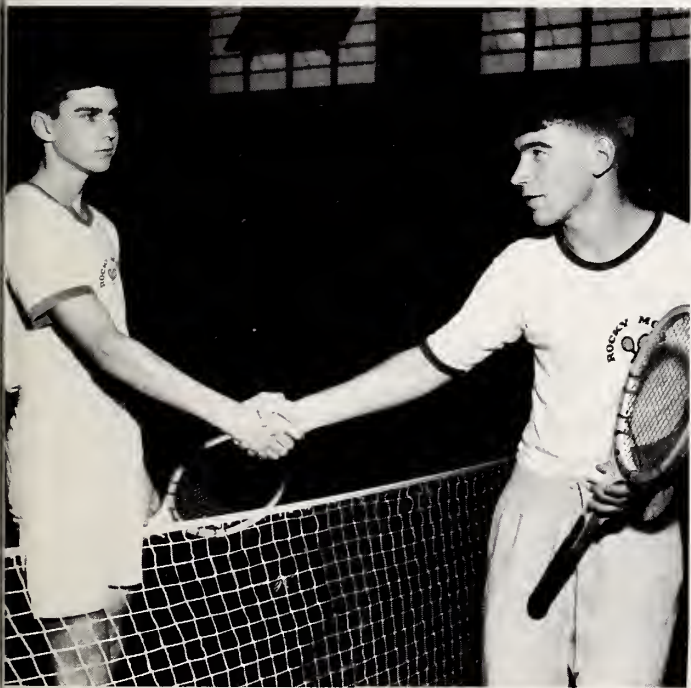

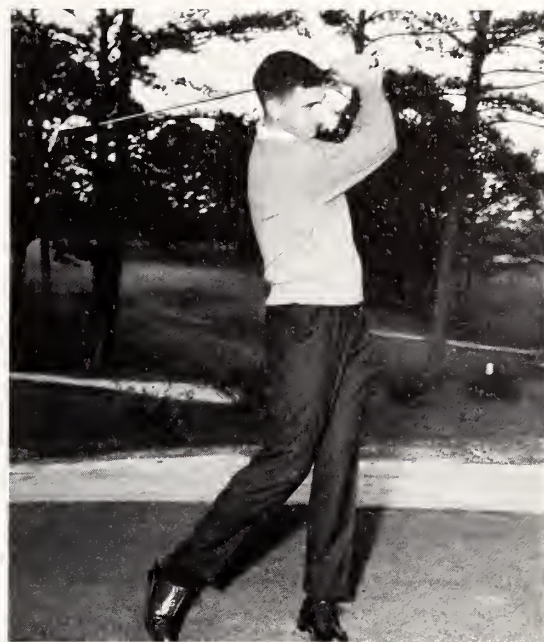

Gravity is the force which holds the solar system together and keeps order. In school the force of gravity which brings unity is composed of the various organizations in which students have the opportunity to grow in interest through study and service.

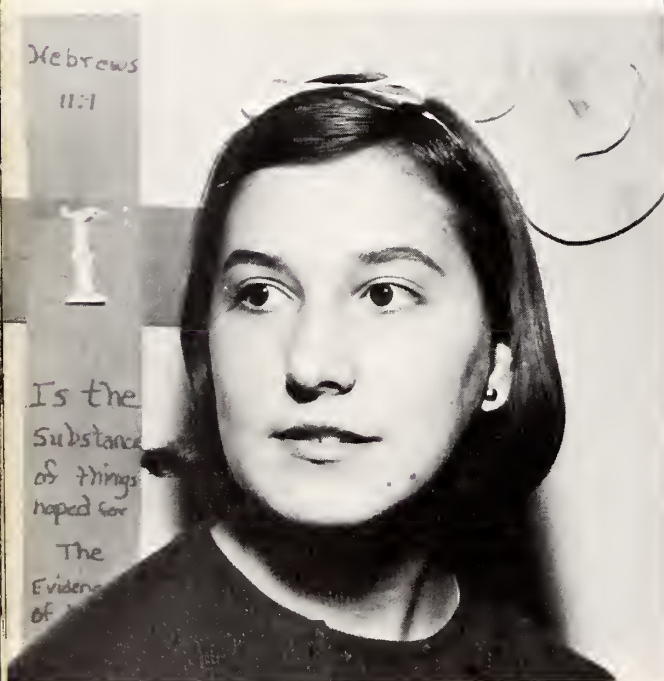

Sun Spots . . .

Sun spots are storms on the sun. They are centers of great activity and stress as the natural elements rage against one another. Friendly conflict, the essence of the athletic program, characterizes this area of school activity.

The Sun gives off a great light, but stars send out a radiance of their own. In the same manner the school gives off a great light as a whole, but there are those who produce a certain glow themselves.

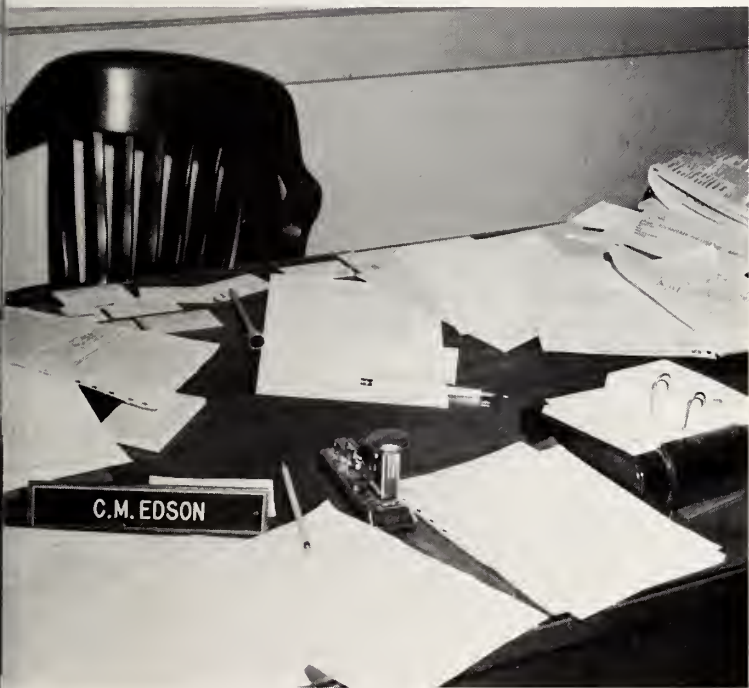

The Stars give their brilliance . . .

Dedication

The role of principal of a senior high school is a responsible one requiring the utmost in patience, tact, and efficiency in addition to academic training. Rarely does one find an individual who fullfills this Herculean task with the good humor and quiet authority of the man who is honored here.

Because he represents the finest type of administrator and Christian gentleman, and because he commands the admiration, affection, and genuine respect of faculty and students alike, we proudly dedicate this 1965 HI-NOC-AR to our principal, Mr. Cyrus Melvin Edson.

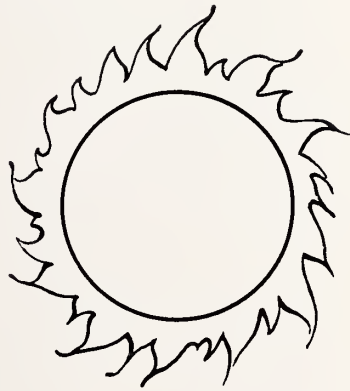

Jenny -

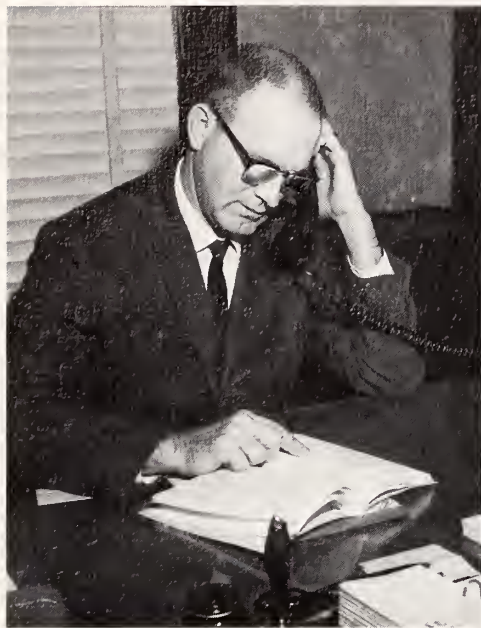

Go a very crazy girl! We've really had a lot of fun throughout our friendship; along with our problems (boys). I shall never forget all our little "talks," discussin' & discussin' boys - I hope graduation won't end our friendship! Good luck with — & all your other faults!!

English Department

The English Department is the keystone of our academic curriculum. Highly qualified instructors teach the student the importance of precise expression of ideas. Through the study of prose and poetry the student acquires a greater knowledge of literature.

The English curriculum includes average classes for students with normal ability, modified courses for slower learners, and advanced courses in creative writing, journalism, and exposition for superior students. English 3200 is a special course in which each student works at his own rate. Developmental Reading students use individual reading machines to learn to read faster with greater comprehension.

The modern language curriculum of Rocky Mount Senior High includes four years of French and Spanish. Besides learning the language, students study the culture of the people who speak it. Latin II students study the great Roman Empire by reading Latin stories and Caesar's **Gallic Wars**.

With the increased emphasis on the spoken language, the French and Spanish students of Senior High find the language laboratory an invaluable asset. Self-conscious students may feel at ease with their teacher in the lab, while advanced students may use its facilities to develop their abilities more rapidly.

Social Studies

The varied curriculum of the Social Studies Department enables the student to face the future with a knowledge of the past. Courses in world history and American history give the student a better understanding of his heritage. Government teaches him the responsibilities of American citizenship. The economics pupil learns to apply economic principles to his own life. Psychology helps the student to understand himself and those around him. In addition to these regular courses, advanced television classes in world history and American history help sophomores and juniors to understand the past in terms of the problems of today.

Susie demonstrates her ability to interested psychology students.

Physical Education

"A sound mind in a sound body" is the goal of our Physical Education Department. Participation in highly competitive sports teaches young athletes the importance of cooperation and good sportsmanship. Vigorous exercises and drills

help mold young men and women into top physical form.

Physical Education is a required course for all seniors, but many sophomores and juniors take it as an elective.

Mathematics Department

Mrs. Speight explains a fundamental of plane geometry.

The mathematics curriculum at Rocky Mount Senior High is designed to give the student a solid mathematical background. The student is taught to think logically and to see the general in the particular. Such teaching helps him to broaden his outlook on all phases of life.

Our Math Department now offers to all students plane and solid geometry, Algebra I and II, college algebra, and trigonometry. New material added to the traditional analytical geometry and calculus course is designed to help the senior adjust to the abstract viewpoint of college mathematics.

Steve Dunning ponders over some gruesome problems in advanced math.

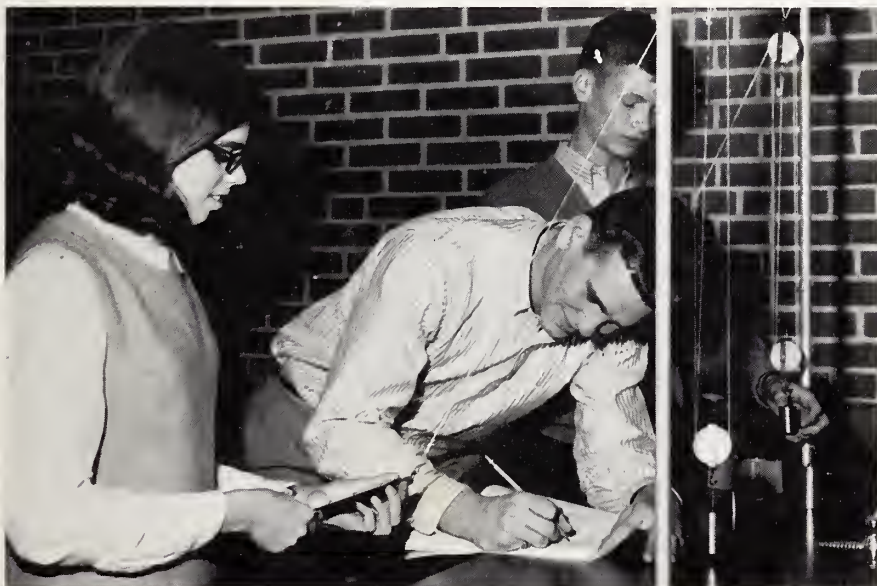

Science Department

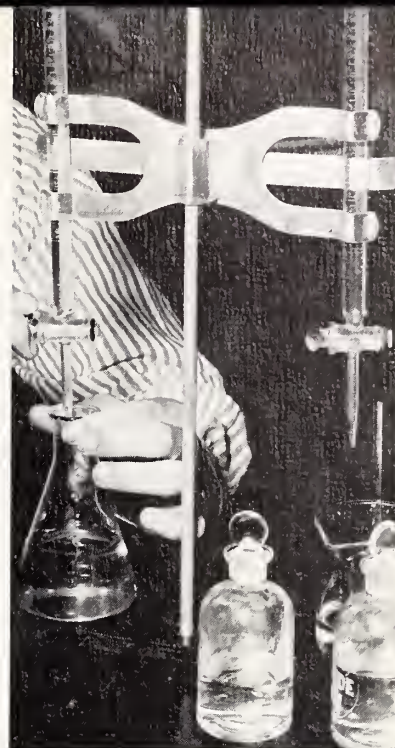

The Science Department works to direct the student into scientific channels by the use of the scientific attitude. The modern world has caused the stress on science to increase. To meet the growing demands of the world around us, Rocky Mount Senior High School offers courses in biology, chemistry, and physics. Advanced biology is offered to students wishing deeper study in that field.

Lab work, lectures, and projects aid in arousing the student's interest.

Band, Chorus, and Dramatics

The Rocky Mount Senior High School Band, known for its precision drills and stirring music, is an outstanding part of Senior High life. By playing at football games and various other activities, the band does much to promote school spirit.

Library and Art

The Rocky Mount Senior High School Library offers ideal facilities for quiet study and research, including a variety of books, reference material, and magazines. Library assistants under the direction of Mrs. Bailey help keep the library in order.

The basis for progress in our modern society is creativity. By giving the students an

opportunity to experiment with various materials and methods, the Art Department fosters creativity. A two year course is offered in which the student is encouraged to use these opportunities. Painting, sculpture, and architecture are offered the first year. The second year covers advertising, graphics, and ceramics.

Business and D.E.

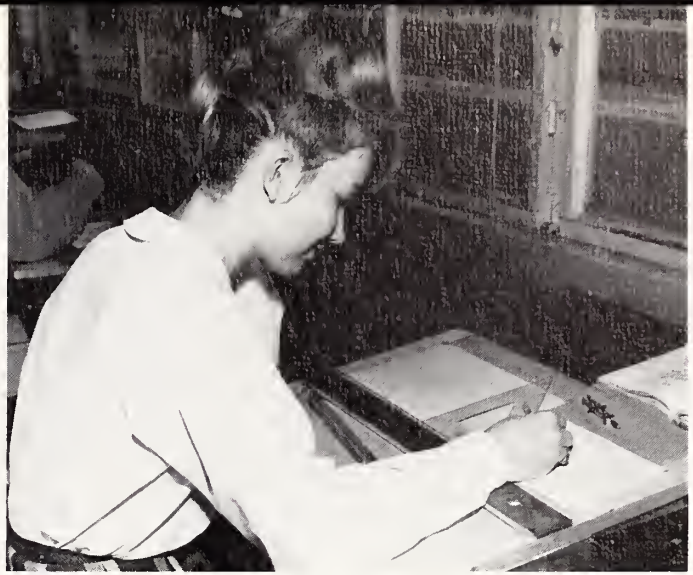

Both college-bound students and students who plan to begin work after graduation from high school find many opportunities in the Business Education Department. Typing I and II are primarily designed for students planning secretarial careers although these courses are also invaluable aids to college-bound students. For those planning a career in bookkeeping or some other form of office work, Shorthand I and II and Bookkeeping are available. A practice room, equipped with office machines, is used by members of the office practice class.

Distributive Education offers work experience as well as classroom training. In the classroom, D.E. students are instructed the mechanics of salesmanship such as recording sales and setting up displays. D.E. students also learn the rights of a customer, the duties of a salesperson, and the economics of wholesale and retail selling.

Industrial Arts and Home Economics

The Rocky Mount Senior High School Home Economics Department strives to prepare girls for future responsibilities. By working together the girls learn to appreciate beauty and make intelligent choices, in addition to learning how to cook and sew.

The Industrial Arts program allows boys to express their creative skills. General Shop, an elective for all boys, emphasizes wood working. Mechanical Drawing is offered only to juniors and seniors. Vocational Machine Shop is also offered.

Mechanical Drawing offers many advantages to Susan Kovarco who plans to study architecture.

Our Student Organization represents a testing ground for ideas and policies which will give added meaning to our school life.

Bruce Lea
Editor-in-Chief

This was the year of a big change in the BLACKBIRD. In December the method of printing the BLACKBIRD was changed from offset to letter press. The new printer is the Nashville GRAPHIC in Nashville, North Carolina. During the year the staff of seven seniors and nineteen juniors published twelve editions of the tabloid newspaper. The advertising campaign along with subscriptions provided funds for the year's work. The annual Junior-Senior Beauty Court and the Miss Print Contest were both sponsored by the BLACKBIRD.

Service Club Sponsors Homecoming Parade

Consisting of a group of hard-working juniors and seniors, the Service Club is one of the most active and useful clubs in our school.

Raising and lowering the flag each day at school and at all home football games, presenting devotionals for assemblies, and selling programs at home football games are a few of its activities. In the fall the club sells light bulbs

to accumulate funds for its yearly scholarship. It sponsors the annual Homecoming parade and the Christmas assembly, two highlights of the year. In the spring, as a climax to the Holy Week program, the Service Club presents an Easter Sunrise Service. This group of students constitutes an invaluable club which is of much benefit to our school.

Fall officers of the Service Club are: Frank Greathouse, vice president; Tommy Campbell, treasurer; Linda Jordan, devotional chairman; Terry Alford, corresponding secretary; Harriet Soden, secretary; Wayne Abernathy, president.

John Bell aids the scholarship fund by making a sale.

Band Receives New Uniforms

The Rocky Mount Senior High Band received beautiful new uniforms this year. Dressed in snappy black and gold, the sixty-member Band presented half-time shows which brought excitement to young and old. The members of the Band worked long and hard and the music performed was most difficult. Some of the

Band members organized a dance band under the direction of Mr. Hammond.

Besides being a vital part of school life, the Band was very active in community affairs. It performed in all city parades, welcomed dignitaries, helped various charities and presented concerts for the community.

The Dance Band works hard to perfect a well-known jazz tune.

The majorettes are Joy Craig, Dinah Felton, Jennifer O'Neal, Donna Whitley, Head; Pat Hartness, Camilla Moore, and Sylvia Quincy.

Choir

Mr. Parry leads the Choir in rehearsal.

The members of the Choir are chosen each year from Mr. Parry's three chorus classes. They are taught the elements of good voice production as well as elementary music theory. The music that is selected is both classical and modern. This year's Christmas program included a choral arrangement of Tschaikowsky's "Nutcracker Suite."

During the year, the Choir usually schedules one out-of-town trip. Other performances include not only the Spring Concert and commencement, but also performances for our school and local civic organizations.

The two pianists are Myra Bell and Theresa Pollard.

Their varied activities include decorating the goal posts for home football games, selling ribbons and Homecoming corsages, cutting confetti, and entering a car in the Homecoming Parade.

They also serve the community by furnishing a Christmas tree and an outside display for its enjoyment. A needy family is made happier by the girls, who try their best to make it a grand Christmas for them.

The reward of a year of hard work comes in May, when they combine with the Monogram Club for a fun-filled picnic.

Selling ribbons before each game boosts the victory spirit.

The girls take a well-deserved break after beautifully decorating the Christmas tree in the lobby.

“To serve classmates, school, and community, and to work unselfishly for others” is the stated purpose of the Kudos Club. Now in its tenth year, this club has been actively participating in school life. The club’s name is derived from the Greek word “Kydos,” meaning “glory.”

This “glory” comes from serving and helping others through the club’s various projects. Collecting money for the Red Cross, serving as ushers at the P.T.S.A. open house, and serving coffee and doughnuts after the Easter Sunrise Service are among the Club’s activities.

Donna Taylor, Woody Gibson, Grace Whitford, and Larry Grooms direct parents on P.T.S.A. night.

The Kudos Club officers are Betty Fryar, secretary; Billie Dean Marks, vice president; Donna Taylor, treasurer; and Tommy Shearin, president.

Taking care of the indoor gardens, the officers of the SOS Club are Mary Council, treasurer; Steve Gorham, vice president; Doug Sharer, president; Donna Whitley, project chairman; Rose Cox, secretary; and Margarette Farmer, project co-chairman.

The members of the SOS Club contribute their time and effort to provide worthwhile school activities and to promote school spirit. The SOS Club publishes and sells basketball programs, maintains concession stands at baseball games, gives each homeroom an American flag, helps a needy family have a Merry Christmas, and maintains the indoor gardens in the lobby.

D.E. Aids Students In Career Training

The Distributive Education program helps students to become qualified employees and useful citizens. Distributive Education students have common objectives and interests

in that each student is studying for a specific career. Training is offered in three main areas of distributive business — wholesale, retail, and, services. Students gain ideal working experiences by combining their classroom training with part-time work.

Mr. Jessie Morton and Mrs. Vivian Hodges, a former D. E. student, explain the account ledger to Mike House.

Listening to Music Creates Enjoyment

The Music Club embodies all of the finer aspects of music. In an informal atmosphere created by the members themselves and their advisor, Mrs. Mary Wood Bobbitt, the students listen to symphony, jazz, organ, opera, and folk music. Through their enjoyment, they develop an appreciation for good music and the arts.

Student Librarians Learn Skills

The members of the Library Science Club learn the skills of managing a library from their advisor, Mrs. Carolyn Bailey. Some of their duties include planning and putting up bulletin board displays, helping students find books and periodicals, and typing cards for the card catalogue.

The members of the Library Science Club are: **STANDING:** Sandra Worrell, Debbie Bulluck, LaRue Fountain, Jimmy Taylor, Randy Rose, Butch Matthews, Shirley West, Frances Gaither, Mrs. Bailey, Dean Peace, Brenda Woo-

School Spirit Promoted By Booster Club

Even though the Booster Club is in its third year, it has grown into a spirited organization of junior and senior girls that plays a vital part in boosting all our school activities. Requirements for membership are that the girls be interested in and be willing to participate in all phases of school life.

The members sacrifice time and energy to carry out the club's projects. Each year they compile a scrapbook honoring varsity teams. They place pep posters in each homeroom to raise interest in upcoming athletic events. This year the Boosters sold pom pons and held a bake sale to raise money.

Selling pom pons are Tinka White, secretary; Judy Pitt, vice president; Debbie Barbee, treasurer; Mary Ann Proctor, president; and Bryan Cutchin, sergeant-at-arms.

RM 26 Burlington 19

Jim Arrington dodges Burlington tacklers as he gains ground.

RM 39 Kinston 0

The Rocky Mount Senior High Blackbirds opened the 1964 football season with a show of power that was to be characteristic of this team in a 10-game victory drive. They stopped a touted Burlington Bulldog single wing running attack with great defensive play.

The No. 1 ranked Blackbirds completely outclassed the Red Devils in storming to victory No. 2. Rocky Mount's offense gained almost at will and Kinston failed to generate any threat.

Digit Laughridge breaks into the secondary for a long run against the Red Devils.

With Perfect 10-0 Record

RM 19 Goldsboro 12

Digit Laughridge and Steve Britt demonstrate rugged defense as they move to take down Goldsboro runner.

Rocky Mount High's undefeated, untied march through the Eastern 4-A conference started with a thrilling history over a rugged Goldsboro team. It took the kind of drive borne of determination and desire, and the Birds fulfilled that requirement to register the first of six straight conference wins.

Despite a hard rain, the Blackbirds kept their undefeated string going against Wilmington with a show of devastating offensive power. Halfbacks Digit Laughridge and Darrell Johnson ran for long-distance yardage, and quarterback Arrington put on a dazzling passing performance in spite of the weather. Rocky Mount's defense smothered Wilmington's offensive efforts.

The Birds break out onto the field fired up to take their second conference win.

Croom is finally hauled down after long aerial gain.

RM 34 Wilmington 6

Jeff Croom hauls in a pass as Tony Bossolono prepares to take out a Wildcat defender.

Darrell Johnson rounds the corner to make one of his fantastic runs against Wilson.

A good block by Henry Strickland and Arrington is on his way to the Bulldog goal.

RM 21 Wilson 0

In two previous years, Rocky Mount and Fayetteville had battled for supremacy in the Eastern 4-A Conference and much was riding on the 1964 game between these two arch rivals. The talented Blackbird offense exploded in the second half to overcome a Fayetteville threat, leaving no doubt as to Rocky Mount's 1964 superiority over FHS.

Rival Wilson fell to the Blackbirds easily in a game that saw Rocky Mount retire the Shelton Looms Trophy, but the game was also a costly one for RMHS. Quarterback Arrington, enjoying a fabulous season, and outstanding tackle Jerry Lundy suffered broken legs and were to be lost for the rest of the season. Darrell Johnson's fantastic running was the feature of the win over Wilson when the early loss of Arrington left the Birds without a passing attack.

Congratulations are extended by a fan to Coach Whitley and head Coach Carpenter.

Managers Jim Murrill, Ron Fly, Bill Harles, Arthur Viverette, and Jack Fritts check to see if everything is O.K.

RM 6 Durham 0

With Arrington and Lundy out of action, the Birds went against strong Durham in a battle of conference powers. A great defensive struggle developed as Rocky Mount stopped Durham cold but could not get started offensively themselves. That the Blackbirds stopped several Durham threats and were able to make the lone RMHS opportunity count for a touchdown and victory was a tribute to a great team effort. Coach Chris Carpenter called it one of the finest victories he could remember.

All eyes await the touchdown indication by the referee.

Durham's defense was tough but Laughridge cracks it here.

RM 34 Greenville 14

With Johnson having shifted from halfback to quarterback following Arrington's injury, the Birds found their offensive punch again and rolled to an impressive win over Greenville. Johnson delivered a superlative passing show and Laughridge turned in some of his best running of the year.

Jeff Croom proves how effective the Bird's passing game is on this one against Greenville.

RM 26 Myers Park 7

The Blackbird defense completely halted the famed passing attack of the Myers Park Mustangs. Backfield defenders Allan Ricks, Darrell Johnson, and Bunn Woodard were outstanding in thwarting the Mustang aerial attack. The Birds themselves had a hot offense both on the ground and in the air, as they racked up four touchdowns.

Blackbirds await their call.

Henry Strickland takes the last pass of the game in for the score.

RM 27 Raleigh 6

The Birds put on a fine second-half show against the Raleigh Caps. They showed how powerful their offense was when they scored two touchdowns in a fifty-second interval of time.

The victory brought the regular season to a close as the Birds had piled up the first undefeated season in Rocky Mount Blackbird history.

Johnson pauses to decide which route to take.

The Reynolds end will never catch Johnson now.

The semi-final playoff game against Winston-Salem Reynolds marked the third straight time these two teams had met in playoff action. In 1962 and again in 1963 the Blackbirds defeated Reynolds in the state title game, but this time it was to be a Reynolds victory. The injuries that had hit the Birds earlier finally caught up, and RM couldn't seem to catch fire offensively. Reynolds took a 14-0 lead early in the third period, but the Blackbirds battled back gamely until the end. Though the two-year reign as state champ was ended in this loss, the Birds bowed out to the best, Reynolds going on to claim Rocky Mount's throne as football king of North Carolina.

Allan Ricks heads upfield on an amazing punt-return effort.

The Conference Championship

Though state championship honors did not come Rocky Mount's way in 1964, this Blackbird team compiled records that stand out with the finest in the school's history. In taking a third straight Eastern 4-A Conference title, the Birds of 1964 became the first Rocky Mount Senior High team ever to compile a perfect

unbeaten, untied regular-season record. It was another chapter in the recent story of fabulous football success at RMHS. Over that three-year period, the Birds of Coach Carpenter compiled a brilliant record — 31 victories, only three losses and one tie.

These big three feel great after a conference victory.

Coaches, **FIRST ROW:** Bobby Dunn, Don Stallings, Johnny Stott. **SECOND ROW:** Ray Durham, Chris Carpenter, Dudley Whitley, deserve credit in bringing the Conference title.

They worked out hard over the holidays, getting in shape for their later matches. Coach Johnny Stott has put in plenty of time in instruction and expects this team to produce outstanding results. He has powerful veterans in Ken Reams, Jim Price, Ralph Sykes, and John Dubel.

With tremendous enthusiasm and abounding energy the wonderful cheerleaders put life in the student bleachers at every contest.

Birds Try for Good Conference Showing

The 1965 edition of Blackbird cagers faced the season with determination and spirit. Although they were unable to win a victory in four early season starts, the squad was expected to gain in strength and strategy as the conference games began. Early indications are that the varsity will once again excel in speed, rebounding and accurate shooting.

Head Coach Bill Lundy and Coach Bobby Dunn give the boys a final briefing.

Juniors Susan Kovarco, Bert Stephenson, Bobbie Andrews, Jill Shearin, and Kay Phillips join the crowd in supporting the concession stand on the Blackbird Special.

Ronnie Bell and Corrye Minges admire their new class rings.

Juniors profit from College Day conferences.

Senior class officers for the first semester are Bunn Woodard, president; Dan Stallings, vice-president; Cecelia Dudley, secretary, and Tommy Shearin, treasurer.

SENIORS

Dr. and Mrs. Weeks typify all parents whose guidance and love have brought sons and daughters to this important graduation year.

Decisions! Decisions! Lewis Dozier is in the usual senior quandary. Which college? What course?

What is a Senior?

One who . . .

Seeks an identity . . .

Wrestles with momentous
decisions . . .

Searches for the meaning
of things . . .

Lives adventurously . . .

Clings to security . . .

Desires approval . . .

Needs guidance . . .

Matures rapidly . . .

Accepts responsibility . . .

Changes perspective . . .

Establishes relationships . . .

Expresses idealism . . .

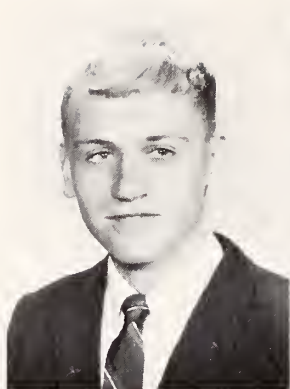

Admits rebellion . . .

Develops a philosophy
of life . . .

Becomes a name!

The Students of Rocky Mount Senior High School Say
"Thanks to Our Advertisers"

Hail to the Varsity!

Wonder what movie Arthur is going to show to the English class today?

Monday morning — 8:25!

Susan Roane even enjoys the tedious work of writing yearbook receipts.

Gathering in the parking lot at lunchtime provides a break in the routine of classes.

Jenny,
 Just think, we are
 going to graduate! Doesn't
 sound right does it?

After being in English
 together I really don't
 see how we made it.

Quality Yearbooks

But, it has been fun and
 it's been
 great knowing
 you! Good luck
 always.

Love ya,
 Betty

The 1965 HI-NOC-AR staff wishes to take this opportunity to thank our community, our student body, our faculty and administration, and especially our advisors, Miss Alma Murchison, Mrs. Jane White, and Mr. Joseph Allegood of the American Yearbook Company for their direction and support this year.

We hope that our review of the year will produce a pleasant memory of Rocky Mount Senior High School.
